## Tricks News

March 30th

Welcome to Trick Digest, this is a site that is dedicated in providing visitors with easy to follow tutorials. From Adobe Photoshop to tutorials based on the iPhone and other mobile devices. Soon we will have a video tutorial section, for most of the tutorials listed on trick digest. We are also looking for affiliates, so anyone interested feel free to contact us. Also any suggestion on how to improve the site are welcome.

## Alphanumeric Passcode

In this tutorial you will teach you how to improve the login or passcode with an Alphanumeric Password. This is a very simple process i am using the 2G version on firmware 3.0.

### Step 1:

On your iPhone, click on safari and browse to this [site](#). On your iphone click below to download the file.

When the file is downloaded it will automatically open the window below.

Click install and you will see the warning. Click Install

Next it will ask you to enter your password.

Enter your password, and you are finished.

### Tips:

I found that it will ask you to change the password about every three days. A message will come up saying that your password has expired and will ask you to change it.
